1876

1624 St Marks N Audley St.

The Organ to be taken from its present position in the Chamber at the N. E. end of Church and re-erected on a platform (18" in height) in E end of north aisle. The organs extend upwards thro' line of gallery (the flooring of which will be removed) and the front raised to a level with gallery front and provided with appropriate terminals in woodwork.

N.B. The platform, and casing of West end to be supplied by the Church builders - full scale

rest Org - New Open, ccts F in place of present o
